

**Australia's Independent  
SAP Community**

**Network.**

**Influence.**

**Knowledge.**

The SAP Australian User Group (SAUG) is an independent not-for-profit industry association that provides information, access and networking opportunities for SAP customers and partners. With a member base of over 6,000 individuals from 300+ companies, SAUG is the only SAP endorsed user group in Australia.

**"Our mission is to provide a unified voice to influence SAP  
and enable the Community to leverage SAP for success."**

# Benefits of Being a SAUG Member

## Events

Build strong connections face to face. With Regional Conferences and the annual National Summit, SAUG runs several events throughout the year. SAUG members can attend SAUG events at either no charge or at the reduced member rate.

## Webinars & Workshops

Focused on SAP products and solutions, SAUG members discuss challenges and best practices.

## Special Interest Groups

SAUG SIGs provide members with a year-round community, who share a common interest or business process.

## Getting Involved as a SIG lead

Ordinary members run SAUG SIGs. Becoming a SIG lead is a rewarding and valuable career building experience. Benefits include outstanding networking and learning opportunities, access to SAP experts and executives, priority access to SAUG events and more.

## SAUG Executive Council

All Ordinary Members can nominate a C-level representative to the Executive Council. The aim is to drive successful two-way engagement with SAP and network with fellow Senior Executives.

## SUGEN – Global User Group Network

SUGEN is the collective voice of SAP User Groups. Have your say, with a consolidated view on influential priorities.

## Resources

Gain new solutions, best practice and industry news through the members only resource section on the website; an archive full of links, recent presentations and research.

## SAP Customer Influence Program

Allow members to join global communities that influence current and future SAP solutions through to testing and advising on solution road maps.

**“The strength of any organisation lies within its community. At SAUG we are a formidable force, capable of driving meaningful change. Our user group provides a space for members to connect and share knowledge.”**
