Monday 8th September, 2014

<p>2:00 p m - 2:30 p m</p>	<p>The Journey to Cloud Chris Storich and Bruce How, NTT Data Business Solutions The declared SAP strategy of strategic acquisitions, becoming a solutions provider and reinventing themselves as the leading 'cloud' solutions company presents new customers with real choices as to how they consume SAP to deliver the innovation and platform capabilities to their organisational stakeholders.</p> <p>For the heavily invested existing customer base, the time to benefit, constantly moving product and platform strategies, business expectations around consumption-based IT and innovation delivery are being offset by an historic capital-centric investment that absorbs large proportions of a decreasing IT budget just in BAU.</p> <p>To engage and innovate, organisations need to look at the 'elephant in the room' of BAU costs, their lifecycle capital position and the costs of transitioning to consumption models. NTT DATA Business Solutions will explore these challenges and question the status quo of what BAU costs can be disrupted.</p>
<p>2:30 p m - 3:00 p m</p>	<p>International: Key future strategy trends for SAP Ray Wang, Founder and Principal Analyst Constellation Research, USA Ray's presentation will be a look at what the market is saying about SAP's strategy and executive changes. He will also examine whether a long term strategy is possible and what the changes in SAP strategy means for your business.</p>
<p>3:00 p m - 3:40 p m</p>	<p>SUGEN/SAP Feedback session Alan Hesketh, Chairperson, SAP Australian User Group & Grahame Reynolds, SUGEN Executive Committee / Senior Business Analyst, Qenos SAUG is a member of the SAP User Group Executive Network (SUGEN), which comprises 17 international user groups. SUGEN was a driving force in the recent decision by SAP to include Fiori as part of maintenance. What feedback do you have for SAP that SAUG can take to the next SUGEN meeting in Waldorf in November?</p>
<p>3:40 p m - 4:10 p m</p>	<p>Afternoon tea (level 2 foyer)</p>
<p>4:10 p m - 4:40 p m</p>	<p>Product Integration Vito Forte, CIO, Fortescue Metals Group SAP is continually launching and acquiring new products. Vito will discuss what needs to be done and the challenges in integrating them with your existing SAP portfolio.</p>
<p>4:40 p m - 5:10 p m</p>	<p>International: What does the shifting SAP landscape mean for business Paul Young, Global Vice President – Customer Strategy, SAP AG Paul will discuss what SAP is hearing from the market – when is the right time to adopt SAP strategy and how the product suite integrates.</p>
