

SAUG Executive Council - Agenda

Hilton Hotel, Sydney – Monday 5th September 2016

8:00 a.m. – 9:00 a.m.	Registration opens (level 3 exhibition area)
9:00 a.m. – 9:15 a.m.	SAUG National Summit 2016 Welcome (level 3 Ballroom) Andrew Ritchie – Chairperson, SAUG and Manager IT Services, Officeworks (<i>Preferred seating</i>)
9:15 a.m. – 10:00 a.m.	<i>International</i>: Keynote Presentation: How the SAP product portfolio is keeping you ahead of technology changes. Numerous changes and trends are impacting IT and this presentation will examine how the overall SAP product and solution portfolio is staying ahead of and helping customers to take advantage of the changes. There is an increasing emergence of a strong core and associated platforms and technology and built around it, innovative LOB solutions designed for the digital economy, connectedness, agility and innovation. This insightful discussion from SAPs' global leader of the SAP product portfolio will help you see the bigger picture and fit everything into place. Hala Zeine Senior Vice President, SAP Portfolio and Commercialization, SAP SE (Germany)
10:00 a.m. – 10:45 a.m.	Keynote Presentation: (Platinum Sponsor) Implementing SAP on Public Cloud, Hybrid Cloud or Private Cloud? Lenovo has now implemented more than 5,000 SAP HANA appliances across all environments including Public Cloud, Hybrid Cloud and Private Cloud. As one of the most frequent questions asked by members is; what is the optimum path or deployment option for SAP HANA, hear from Lenovo and its customers about how they have successfully implemented SAP and SAP HANA. Find out what are your key technology choices today and in the future that will drive successful, cost effective deployments. Rob Makin, Director - Lenovo Data Centre Group, ANZ Andrew Silvers, Alliance Manager - Lenovo Data Centre Group, ANZ Michael Dayaseela, SAUG SIG Lead – HANA Melbourne, Business Intelligence Lead & Architect, Village Roadshow Jeff Durham, Chief Operations Officer, Viatek Technology
10:45 a.m. – 11:15 a.m.	Morning tea (level 2, room 3) – (Sessions in level 2, room 2)
11:15 a.m. – 11:25 a.m.	SAUG Executive Council Welcome & Update (level 2, room 2) Peter McLure, SEC Steering Committee Chair / CIO MMG
11:25 a.m. – 11:55 a.m.	Customer Keynote Presentation: Developing the SAP roadmap at Woolworths – past, present & future This presentation will start from the history of SAP at Woolworths and move through the present to the future. It will focus on the approach and framework for developing the SAP roadmap including insights into key technologies such as SAP HANA and will discuss important challenges and key considerations. Laurence Bennett Head of SAP Technology, Woolworths

SAUG Executive Council - Agenda

Hilton Hotel, Sydney – Monday 5th September 2016

12:00 pm – 12:30 pm	<p>Partner Keynote Presentation: Transforming the way enterprises run SAP Cloud is the new normal. Learn how and why SAP customers transform the way they run SAP, on AWS Cloud. AWS and Fairfax Media will share their experience including successful business cases.</p> <p>Paul Migliorini, Managing Director ANZ, Amazon Web Services David Payne, Head of Major ISV's, APAC, Amazon Web Services Jaye Dutton, Finance Systems BI & UX Lead, Fairfax Media</p>
12:30 pm – 1:30 pm	<p>Executive Council Networking Lunch (level 2, room 3)</p>
1:30 pm – 2:00 pm	<p>Customer Keynote Presentation: Innovation transformation at Lion with the HANA Cloud Platform Lion, one of Australasia's largest food and beverage companies is embracing innovation and transforming all its business processes. This presentation will share insights into their implementation of the HANA Cloud Platform and how this solution along with agile practices and design thinking is driving change and real value. There will also be discussion around the further possibilities for this technology.</p> <p>Tim Reid, Solution Architect, Lion</p>
2:00 pm – 3:00 pm	<p><i>International:</i> Keynote Presentation: The true road to SAP HANA – what the journey looks like! Although SAP HANA is being implemented in ever greater numbers by many organisations there is still uncertainty around its actual capability and the roadmap for greater business value. Moving away from the spin, master strategist Ray Wang will share valuable insights from his extensive research and global advisory work and uncover the true road to HANA. What does this journey actually look like or should look like, the real value proposition, building HANA into an organizational technology strategy and building extended capabilities with HANA. These are some of the questions Ray will tackle, and as one of the most insightful analysts in the global SAP ecosystem he will predict what SAP will do next.</p> <p>Ray Wang Advisor, Author, Founder, Chairman and Principal Analyst, Constellation Research (USA)</p>
3:00 pm – 3:30 pm	<p>Afternoon tea (level 2, room 3)</p>
3:30 pm – 4:00 pm	<p><i>International:</i> Keynote Presentation: Clarifying the path to new SAP solutions and innovation The changing SAP product portfolio raises some of the most difficult questions and concerns for SAP customers. New solutions are now often not just successors to older solutions but require a complete rethink and restructure. There are different and unclear migration paths and the issues of integration and what actually happens to existing solution investments cause many IT leaders to lose sleep. As SAP's global head of the SAP Portfolio Strategy, Hala Zeine has worked with numerous global customers and she will attempt to bring clarity to uncertainty around what are the new offerings, what are the migration paths, what is being done about solution integration and how is SAP helping customers navigate technological change.</p> <p>Hala Zeine Senior Vice President, SAP Portfolio and Commercialization, SAP SE (Germany)</p>

SAUG Executive Council - Agenda

Hilton Hotel, Sydney – Monday 5th September 2016

4:00 p m – 4:45 p m	<p>International: Expert Presentation: Cloud Security and SAP Security Products Roadmap</p> <p>IT security is an increasing concern for all organisations, particularly Cloud security where there is often limited visibility and some confusion over issues such as responsibilities of the Cloud provider, data location and sovereignty to name just a few. In this session, our IT Security expert Gerlinde, will give insights into the continuous evolution of SAP security solutions including applications for identity and access management, single sign-on, threat detection, secure programming and data security, and the new features and enhancements planned for upcoming releases. She will focus specifically on cloud security and help you to understand how SAP runs its cloud infrastructure securely, which security features are available with SAP's Platform as a Service and SAP HANA Cloud Platform and will also discuss a brand-new cloud security solution, SAP Cloud Identity Access Governance, which enables users to better manage identities and help ensure compliance in the cloud for the cloud.</p> <p>Gerlinde Zibulski Head of SAP Security Product Management & SAP Fellow, SAP SE</p>
4:45 p m – 5:30 p m	<p>SAP Q & A session: SAP answers the most pressing questions from senior executives</p> <p>This is an opportunity to hear the most pressing questions, as compiled and agreed upon by the SAUG Executive Council Steering Committee based on member feedback, answered by a panel of the most senior SAP executives from the region. The questions to be discussed include</p> <ol style="list-style-type: none"> 1. What is being done to improve integration of solutions? 2. How is SAP protecting customer's long time investments in the SAP platform in the face of a changing technology environment? 3. What is the value proposition, consumption options and maintenance requirements for moving to S/4? 4. What is SAP doing about incomplete value propositions and high switching costs for certain solutions? 5. Will existing customers with older solutions be left behind? <p>SAP Executive Panel includes:</p> <ul style="list-style-type: none"> • Hala Zeine, Senior Vice President, SAP Portfolio and Commercialization, SAP SE (Germany) • Paul Marriott, Chief Operating Officer, SAP APJ • Bruce McKinnon, Head of Digital Business Services, SAP APJ • Peter Harkin, Head of SAP HANA Enterprise Cloud and Managed Services Sales, SAP APJ
