Agenda | Executive Council

Hilton Hotel, Sydney | Wednesday 11th September

<p>2:15pm – 3:00pm</p>	<p>Understanding SAP’s recently announced Cloud & On Premise Licence Extension Policies – Jeremy Goddard, General Manager Business Solutions, SAP ANZ</p> <p>Cloud Extension, flexible model for extending current on-premise solutions to cloud applications, including offerings from SAP companies Ariba and SuccessFactors. Based on their existing investments in SAP software, customers can decide to reallocate elements of their installed on-premise solutions to the respective cloud solutions from SAP, replacing the affected on-premise license and maintenance base with a cloud subscription.</p> <p>On Premise Extensions, providing customers and partners with flexibility and choice to adapt to their changing business requirements based on their existing on-premise SAP solutions. Customers can now decide to evolve their existing on-premise landscape with other solutions from the SAP on-premise portfolio through reallocating existing investments in SAP by replacing on-premise licenses and maintenance with selected solutions from SAPs innovative on-premise portfolio.</p>
<p>3:00pm – 3:30pm</p>	<p>Reinvigorating Value into your SAP Footprint – Chris Storich, Business Manager Cloud and Support Solutions, NTT DATA Business Solutions</p> <p>Cloud Computing, In Memory Applications, Mobile Work Force, Analytics and Rapid Deployment Solutions are examples of the changing face of SAP solution offerings today. But how do SAP customers leverage these evolving technologies and solutions without backtracking on their existing investments? Drawing from real life examples, this session aims to highlight some of the opportunities and challenges in developing an SAP-centric solution roadmap.</p>
<p>3:30pm – 4:15pm</p>	<p>Afternoon tea (level 2 foyer)</p>
<p>4:15pm – 5:15pm</p>	<p>Panel Session: Cloud in the Enterprise and its Future</p> <p>David Peano, CIO – Visy David Kennedy, CIO and CTO – NSW Department of Trade & Investment Brad Engstrom, Head of Cloud Platform ANZ – Google Enterprise David Foulcher, Head of Cloud Direct – SAP ANZ Facilitated by Sue Johnston, Advisor – IBRS</p>
